

calico::sensors::CameraModel

```
classDiagram
    class CameraModel["calico::sensors::CameraModel"]
    class FieldOfViewModel["calico::sensors::FieldOfViewModel"]
    FieldOfViewModel --|> CameraModel
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'calico::sensors::FieldOfViewModel'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'calico::sensors::CameraModel'. This indicates that 'calico::sensors::FieldOfViewModel' inherits from 'calico::sensors::CameraModel'.
