

calico::sensors::CameraModel

```
classDiagram
    class UnifiedCameraModel["calico::sensors::Unified CameraModel"]
    class CameraModel["calico::sensors::CameraModel"]
    UnifiedCameraModel --|> CameraModel
```

The diagram illustrates a class hierarchy. At the bottom is a light gray box labeled 'calico::sensors::Unified CameraModel'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'calico::sensors::CameraModel'. This indicates that 'Unified CameraModel' inherits from 'CameraModel'.
