

calico::sensors::Sensor

```
classDiagram
    class calico_sensors_Gyroscope["calico::sensors::Gyroscope"]
    class calico_sensors_Sensor["calico::sensors::Sensor"]
    calico_sensors_Gyroscope --|> calico_sensors_Sensor
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'calico::sensors::Gyroscope'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'calico::sensors::Sensor'. This indicates that 'calico::sensors::Gyroscope' inherits from 'calico::sensors::Sensor'.
