

calico::sensors::CameraModel

```
classDiagram
    class CameraModel["calico::sensors::CameraModel"]
    class FieldOfViewModel["calico::sensors::FieldOf\nViewModel"]
    FieldOfViewModel --|> CameraModel
```

The diagram illustrates a class hierarchy. At the top is a white rectangular box with a black border containing the text "calico::sensors::CameraModel". Below it is a gray rectangular box with a black border containing the text "calico::sensors::FieldOf" on the first line and "ViewModel" on the second line. A solid blue arrow points vertically from the top center of the gray box to the bottom center of the white box, indicating that FieldOfViewModel inherits from CameraModel.

calico::sensors::FieldOf
