

calico::sensors::Sensor

```
classDiagram
    class calico_sensors_MultiCamera["calico::sensors::MultiCamera"]
    class calico_sensors_Sensor["calico::sensors::Sensor"]
    calico_sensors_MultiCamera --|> calico_sensors_Sensor
```

The diagram illustrates a class hierarchy. At the bottom is a gray-shaded box labeled 'calico::sensors::MultiCamera'. A blue arrow points vertically upwards from this box to a white box at the top labeled 'calico::sensors::Sensor'. This indicates that 'MultiCamera' inherits from 'Sensor'.
